# of Visitor Parking	3	3*
Hours of Operation	7 am - 7 pm	
Special Requirements/ Security Requirements	Late hours, frequent in and out	

*5% GROWTH WAS ASSUMED IF NO FUTURE INCREASE WAS GIVEN

STADIUM FACILITY SUMMARY:

Points to remember:

1. Conduct classes almost 95% of the time in classroom that holds 60 to 75 students. Also conduct classes at Park Place office almost three days per week and requiring the same space and configuration.
2. At Park Place, conduct mobile unit inspections on 2 days during a week which may result in up to 12 to 15 food trailers being parked waiting for an inspection.
3. The 2nd floor at this time probably greets the most number of visitors - only after vital statistics.
4. There is a "reception" area where visitors come in and obtain permits. This area can also be used for quick consulting by supervisors.
5. Have a giant file room storage space to retain all records generated by our program.
6. Currently there is inadequate parking for employees/visitors. An additional 150 - 200 spaces is required for this site.

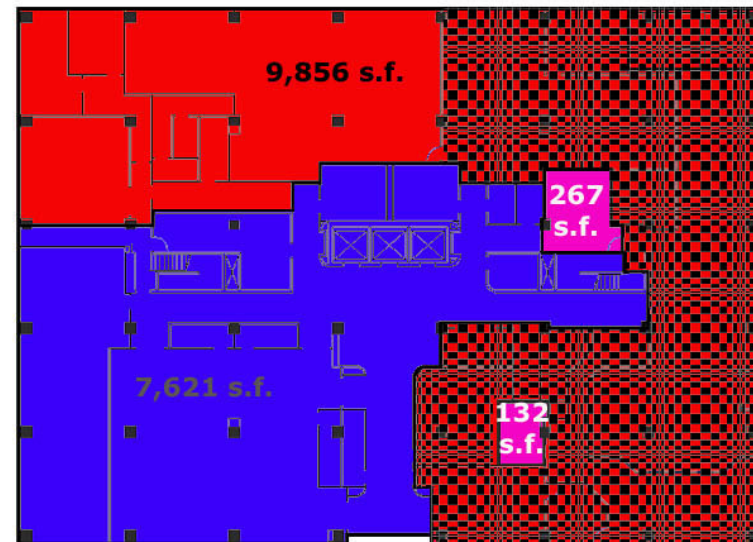

2nd floor details: The floor space is shared by BCHS and CEH of EHD. The proposed space information includes both programs.
